

Head of OSO Media Production and Innovation, Oxford Saïd Online

Hybrid (two days per week onsite), Park End Street, Oxford
Grade 9: £55,636 - £64,228 per annum including the Oxford University Weighting of £1,500 per annum
Permanent, full time (37.5 hours per week)
Saïd Business School, University of Oxford
Vacancy reference: 176129

The role

The OSO Head of Media Production and Innovation plays a pivotal role in supporting the growth ambitions of Oxford Saïd Online (OSO), ensuring the delivery of high-quality, innovative educational media content. Reporting to the Director, Online Learning Innovation and Impact, this role is critical in maintaining OSO's reputation as a leading educational technology partner within the university and beyond. The successful candidate will lead the strategic planning, operational management, and innovation of media production, driving excellence in online learning experiences.

Responsibilities

- **Strategic Leadership and Vision:** Lead the strategic planning and development of a comprehensive media production strategy that aligns with OSO's growth objectives and the wider university's digital learning strategy. This includes identifying emerging trends, media technologies, and opportunities to enhance the university's online learning offerings.
- **Team Leadership and Development:** Build, lead, and develop a high-performing media production team, including video producers, editors, and motion designers. Foster a collaborative environment that promotes innovation, continuous learning, and professional development. Champion diversity, equity, and inclusion within the team.
- **Innovative Media Production:** Oversee the creation of cutting-edge multimedia content, ensuring the production of high-quality, engaging educational assets such as videos, animations, interactive media, and audio recordings. Ensure these assets are pedagogically effective and accessible, meeting the academic standards of Oxford Saïd Online.
- **Operational Management and Process Efficiency:** Establish and implement robust production protocols and workflows that streamline processes, enhance efficiency, and maintain the highest standards of quality. Lead continuous improvement initiatives that leverage technology and media innovations to improve production timelines and content quality.
- **Stakeholder Engagement and Collaboration:** Collaborate closely with faculty, learning designers, AVIT teams, and other key stakeholders to ensure that media assets are aligned with course objectives and pedagogical goals. Build strong relationships across the university, acting as a media production expert and strategic advisor to influence decision-making and best practices.
- **Scalable Production and Project Management:** Develop scalable media production workflows to manage a growing portfolio of online courses and ad-hoc projects. Oversee the simultaneous management of multiple media projects, ensuring that they are delivered on time, within budget, and to the highest standards of quality.
- **Resource and Financial Management:** Manage the media production budget, ensuring the optimal allocation of resources to meet strategic goals. Maintain transparency and accountability in financial management, tracking expenditures, and ensuring cost-efficiency while meeting OSO's growth objectives.
- **Quality Assurance and Innovation:** Implement rigorous quality control measures to ensure all media content meets the highest pedagogical, technical, and creative standards. Continuously explore and integrate new media technologies, formats, and techniques to enhance storytelling, learner engagement, and overall process efficiency.
- **Influence and Policy Development:** Contribute to the development of university-wide media production policies, influencing strategic decisions that impact Oxford Saïd Online and the broader institution. Provide expert advice on media trends and innovations that inform the university's long-term vision for online learning.

- Faculty and Guest Experience: Lead efforts to create a premium production experience for faculty and external guests, ensuring a seamless, professional, and respectful engagement throughout the production process.
- Technology and Systems Integration: Ensure effective use of media production technologies and systems to support performance, efficiency, and scalability. Stay abreast of emerging technologies and integrate them into media production processes to drive continuous improvement and maintain competitive advantage.

Social Sciences

Oxford Saïd is a department within the Social Sciences Division, one of four academic Divisions in the University, each with considerable devolved budgetary and financial authority; and responsibility for providing a broad strategic focus across its constituent disciplines.

The Social Sciences Division represents the largest grouping of social sciences in the UK: home to a number of outstanding departments and to the internationally ranked Law Faculty; all are committed to research to develop a greater understanding of all aspects of society, from the impact of political, legal and economic systems on social and economic welfare to human rights and security. That research is disseminated through innovative graduate programmes and enhances undergraduate courses. For more information please visit <https://www.socsci.ox.ac.uk>.

How to apply

Applications are made through our e-recruitment system and you will find all the information you need about how to apply on our Jobs website <https://www.jobs.ox.ac.uk/how-to-apply>.

Your application will be judged solely on the basis of how you demonstrate that you meet the selection criteria stated in the job description.

As part of your application you will be asked to provide details of two referees and indicate whether we can contact them now.

You will be asked to upload a CV and a supporting statement. The supporting statement must explain how you meet each of the selection criteria for the post using examples of your skills and experience. This may include experience gained in employment, education or during career breaks (such as time out to care for dependants).

Please upload all documents **as PDF files** with your name and the document type in the filename.

All applications must be received by **midday** UK time on the closing date stated in the online advertisement.

If you currently work for the University please note that:

- As part of the referencing process, we will contact your current department to confirm basic employment details including reason for leaving.
- Although employees may hold multiple part-time posts, they may not hold more than the equivalent of a full time post. If you are offered this post, and accepting it would take you over the equivalent of full-time hours, you will be expected to resign from, or reduce hours in, your other posts(s) before starting work in the new post.
